ENVIRONMENTAL POLICY

PURPOSE

The purpose of this policy is to establish controls to ensure compliance with all applicable environmental regulations, and to ensure that the Company's business is conducted in a responsible manner.

The Company referred to in this Policy Statement is Zeero Build Ltd

POLICY STATEMENT

Zeero Build Ltd was established in 2024 to provide specialist construction services to the construction industry.

We are based in Essex and engage people working with our members of staff to carry out our works.

Protecting our environment is important to our business because we value children's future.

We are committed to improvement and are working toward attaining an Environmental

Management System which provides a framework for measuring and improving our performance in accordance with ISO14001.

We have the following systems and procedures in place to support our aim of total customer satisfaction and continuous improvements throughout our business:

1. Regular gathering & monitoring of customer feedback
2. A customer complaint procedure
3. Selection & performance monitoring of suppliers against set criteria
4. Training & development for our employees
5. Regular audit of our internal processes
6. Measurable quality objectives which reflect our business aims
7. Management reviews of audit results, customer feedback and complaints

Our internal procedures are reviewed regularly and are held in an Environmental Manual which is made available to all our employees.

This Policy is posted on the Company Notice Board.

Though the Construction Director has ultimate responsibility for Environmental impacts, all employees have a responsibility within their own areas of work so helping to ensure that Environmental aspects are embedded within the whole of the company.
